

Scoring Rubric

Service Leadership Academies

Overview

The maximum number of points that a student can earn for the Service Leadership Academies points-based system is 500. These points are earned as described below.

CPS High School Admissions Exam- 100 Points

We use the percentile rankings from the English Language Arts and Math sections to determine the entrance exam points to get a maximum score of 50 points for each section. The English Language Arts and Math sections together yield a maximum of 100 points. You can use the table below to determine your exam score.

Seventh Grade Grades- 100 Points

Points are calculated for reading, mathematics, science, and social studies. Each 'A' grade is worth 25 points, each 'B' is worth 20 points, and each 'C' is worth 15 points. No points are awarded for a 'D' or an 'F' grade. The maximum number of points for grades is 100. For example, a student with four As will get a maximum of 100 points, while two As and two Bs are worth 90 points. You can use the GRADES table to determine your point totals.

Information Session (Grit Survey and Essay)- 300 Points

All eligible students are required to participate in an Information Session to complete a Grit Survey and an essay. The Grit Survey is worth a maximum of 200 points and the essay is worth a maximum of 100 points.
